Surf safe online

Be careful on social media. Cause every time you leave a mark on you (Your name, first name, age, where you live, what you live, what you watch, what college you are in, etc).

the applications that use information

1) Facebook

4) youtube

2) Twitter

5) Instagram

3)Whatsapp

6) Snapchat

Tips

1) Use this application only for your work is good for fun.

2) Never give out personal information on the apps.

3)   If you don't have them, don't download them.
